

Bio Sketch

Bibhas Adhikari
Associate Professor
Department of Mathematics
IIT Kharagpur
Kharagpur – 721302

Phone: +91 3222 283670

Email: bibhas@maths.iitkgp.ac.in/bibhas.adhikari@gmail.com

Academic Background

B.Sc. (Hons.), University of Calcutta	Mathematics	2001
M.Sc., University of Calcutta	Pure Mathematics	2003
Ph.D.. IIT Guwahati	Mathematics	2009

Appointments

Associate Professor, Department of Mathematics, IIT Kharagpur, September 2021 – present
Assistant Professor, Department of Mathematics, IIT Kharagpur, January 2015 – September 2021
Visiting Scientist, Simons Institute for the Theory of Computing, UC Berkeley, January – May, 2019
Visiting Researcher, ICERM, Brown University, September – December, 2018
Assistant Professor, Centre for Systems Science, IIT Jodhpur, December 2009 – January 2015
Visiting Scientist, Department of Mathematics, TU Berlin, May – July 2013
Institute PostDoc Fellow, Department of Electrical Engineering, IIT Bombay, January – December 2009
ISBRI Research Fellow, SAM, ETH Zurich, April – May 2008

Activities

Dr. Bibhas Adhikari has supervised three phd students who defended their thesis at IIT Jodhpur, and currently supervising four phd students at IIT Kharagpur. His research activities are primarily concerned with applied linear algebra and nonlinear algebra, complex networks, and quantum information and computation.
